

Restaurant Opening Checklist

A sample assessment checklist — run this and more inside iakkr.

Health & Safety

- ☐ Health department permit displayed and current
- ☐ Fire extinguishers inspected within the last 12 months
- ☐ First aid kit stocked and accessible
- ☐ Food handler certifications on file for all kitchen staff
- ☐ Walk-in cooler and freezer temperatures logged daily

Operations

- ☐ POS system tested end-to-end (orders, payments, refunds)
- ☐ Opening and closing procedures documented and posted
- ☐ Staff scheduling confirmed for opening week
- ☐ Vendor delivery schedule confirmed with all suppliers
- ☐ Reservation system (if applicable) tested and live

Front of House

- ☐ Menus proofread and pricing verified
- ☐ Signage (hours, menu boards, exit signs) installed
- ☐ Seating and table layout finalized
- ☐ Staff briefed on menu, specials, and allergen information

Compliance

- ☐ Liquor license posted (if applicable)
- ☐ Business license and tax registration displayed
- ☐ Accessibility requirements reviewed (ADA or local equivalent)
